MEETING OF May 25, 2004

STAFF REPORT

UPDATE ON STATUS OF NEGOTIATIONS WITH COMCAST, AND CONSIDERATION OF RESOLUTION GRANTING COMCAST OF CALIFORNIA IX, INC. A FRANCHISE EXTENSION TO JULY 31, 2004

Mayor and City Council of the City of Belmont

Summary

On April 27, 2004, Council directed Staff to provide an update to the status of negotiations with Comcast. Staff recommends Council adoption of the attached Resolution, which will extend the cable television franchise agreement with Comcast, to allow additional time for negotiations.

Greg Rubens, Legal Council for SamCat will provide a verbal update on the negotiations process at the Council Meeting.

Background and Discussion

The City and Comcast are interested in continuing informal discussions and negotiations regarding franchise renewal and desire to further extend the current franchise term. The process is moving along but it is taking longer than expected due to the earlier need to review and ultimately come to a negotiated settlement on the recent AT&T/Comcast merger and transfer of operations.

Additional Cable TV Franchise Extension

A proposed City Council resolution is attached which would grant another franchise extension allowing additional time for continuing franchise negotiations.

Fiscal Impact

Comcast will continue to operate per the terms of the original Franchise Agreement during the renewal negotiation period if the City Council approves the attached resolution.

Recommendation

City Council approval of the additional extension to Comcast until July 31, 2004.
